- Personal Spokesman has won **the 1st place** at the Israeli national Start-Up competition – Biztec 2010
- Personal Spokesman is subsidized for 50% of it's price, by the Israeli government (Only for blind and visually impaired people)
- EyalGPS is Negotiating with mobile carriers in Israel and Vodafone to Implement Personal Spokesman on their mobile devices.

Our partners

Lets hear it!

*** Demonstration of "Personal Spokesman" on the mobile device ***

Our Strategy

Thanks to Personal Spokesman unique technology, we are able to supply **The highest TextToSpeech quality service on mobile-phones** (human natural voices), **for a very low price.**

In addition, we can apply any new language required, **in a very short Time-frame.**

Therefore...

We are Looking for,

ONE - Sole Representative,

For each Country or Region.

We will supply Personal Spokesman in the required Language,

And the **ONE – Sole Representative**,
can Sell Personal Spokesman in
unlimited profits.

To become our ONE – Sole Representative:

Purchase 10,000 licenses for 10 euro each,

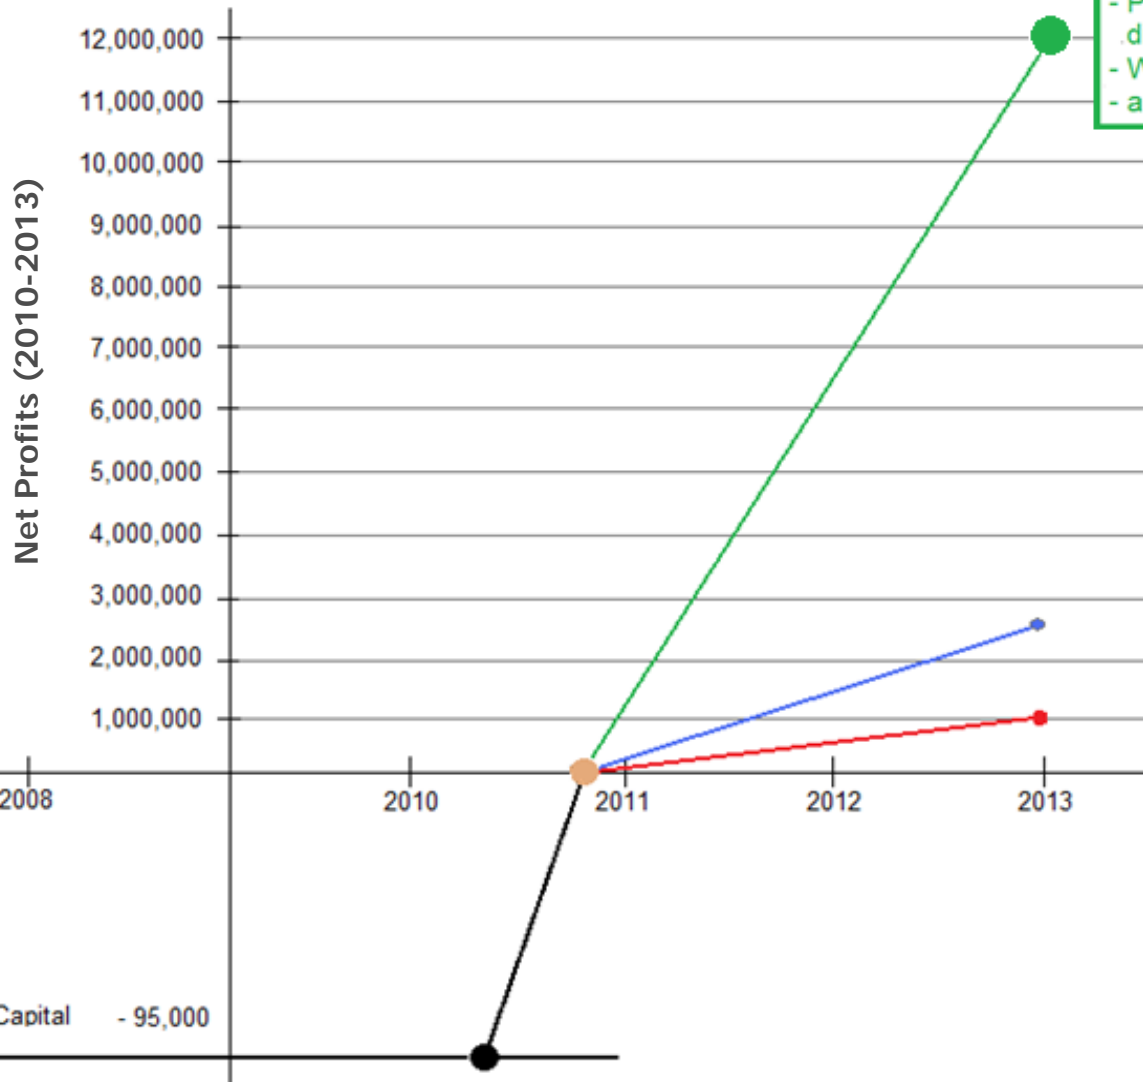

And we are business partners!

Personal Spokesman 3-year impact (2010-2013)

EyalGPS has 3 profits-forecasts for the next 3 years, standing in a direct relationship with the investment amount. The projected sales for the period 2010-13 are 50,000 licenses (average) for every language (we can support 45 different languages). The net profit of each license is 5 EUR.

| No investment | 250,000 EUR investment | 1,200,000 EUR investment |
|---|--|---|
| <p>EyalGPS will sell Personal Spokesman in 2 languages Hebrew and English. With limited marketing and financial resources, the development and implantation of the product for new parts of the world in different languages will be a very slow process which will badly impact EyalGPS's selling capabilities of Personal Spokesman.</p> <p>Net profit for the next 3 years:</p> <p>1,000,000 EUR</p> | <p>EyalGPS will implement and sell the product simultaneously for 10 different languages. EyalGPS will create a net of Sole Representatives in every county or region, that will sell "Personal- Spokesman" in their language. EyalGPS projects more than 40 Sole Representatives in the world that will sell Personal Spokesman with 500,000 users.</p> <p>Net profit for the next 3 years:</p> <p>2,500,000 EUR</p> | <p>EyalGPS will assemble a R&D team who will be in charge of developing Personal Spokesman to different OS platforms, and developing new exciting projects in the TTS field. EyalGPS will implement the product in every possible language (around 45 different languages), and will become the world leading company in the TTS field. EyalGPS projects 130 representatives in the world that will sell Personal Spokesman with 2,000,000 users.</p> <p>In Addition, new applications will be developed on Personal Spokesman Platform – such as News reading applications and GPS applications.</p> <p>Net profit for the next 3 years</p> <p>12,000,000 EUR</p> |
